

WHO WE ARE We are the future leaders of the Lakes Area, uniting all industries to form a powerful **wave of influence**, optimism and professional success. Our goal is to build lasting relationships as we elevate our skills and advance our careers. We aim to make a positive difference in our companies and communities, learning from and inspiring each other along the way.

GOALS

- Become the united, influential voice of young professionals in the Lakes Area.
- Develop personal and professional skills that are essential for advancement in all professions.
- Support area employers in developing and retaining young talent.
- Build lasting relationships through fun, social activities.
- Identify and welcome young professionals who are new to the Lakes Area.
- Offer uncommon access to local leaders and organizations of interest.
- Provide meaningful opportunities to lead and grow the program.

ACTIVITIES / BENEFITS

- Professional events featuring a tour or speaker—always with a social element.
- Social events that provide opportunities to try new activities, learn life skills, etc.
- Special pricing on Chamber programs and events via promo code, including Blue Ox Business Academy scholarships.

LEADERSHIP

- “Anchor Committee” of 9 volunteer leaders, including chair and vice chair.
- 3-year terms with 3 new members each year.
